Subject: Region 3 Contact for hydrofracking issues

[Ex. 6 - Personal Privacy] - phone [Ex. 6 - Personal Privacy] -- wants to talk to someone about problems from drilling that is affecting the drinking water. I believe he said in Cabot, but he kept referring to Dimock, Pa. They are having problems there and he says the media is not even covering the issues.

Region 3 has no names listing on their website so I need to have someone to refer him to working on the issues there.
